

vioLit

DJ/Vocalist & Twitch Partner

About

High energy gamer turned DJ with infectious positivity and a passion for performing. A full-time content creator with over eleven years on Twitch, she is extremely interactive with her bustling community and works hard to keep them entertained with immersive lighting and visual effects on top of her captivating DJ mixes, singing, and dancing. Viewers of the stream guide the experience with a large selection of channel point redeems featuring an ever-growing array of technology and party tricks. Combined with vioLit's fun outfits, flow art props, and special events, there's never a dull moment!
